## e-Touch Wi-Fi Button

The SCX-4623FW's One-Touch Wi-Fi button lets you connect quickly and easily. Simply select the WPS (wi-fi protected setup) button on your router, then press the WPS button on the SCX-4623FW and the printer will automatically configure and connect to your wireless network. Normally, you would have to spend time creating a wireless network name and manually entering a security key or password on all the wireless devices. But the ultra-convenient One-Touch Wi-Fi button automatically configures - and protects - your wireless network for you.

## Wireless Printing

With the SCX-4623FW there are no more cables tripping you up or plugging and unplugging machines to identify the right printer. And better yet, this wireless printer can be shared by many computers, saving you money on hardware and energy costs. Say goodbye to cables with the SCX-4623FW laser printer.

## AnyWeb Print

Samsung's AnyWeb Print software is another useful feature. It allows you to select, drag and drop content from different webpages into a new blank page on screen, without any resizing or other editing. AnyWeb Print is a quick and easy way of pulling information together, and you can save the pages you create either as tiff files or pdfs. They can be printed using the Print Screen button or your normal print menu. So you can quickly and easily print what you see. AnyWeb Print software enables you to gather data together and handle information more effectively

## Consumables

## Versatile Copy Features

Productivity is the key to running any office or professional workgroup. And the SCX-4623FW was designed to deliver exactly that. With the SCX-4623FW you can print, copy, scan and PC-fax with ease and speed. It also has versatile copy features such as ID card Copy (front and back on one side of the page), clone copy (multiple images on a single sheet) and poster copy (one image on multiple sheets) saves you time.

## Streamlined Design

The control panel has an easy to use Blue Compass Navigation button that allows you to navigate menu options quickly and easily. The SCX-4623FW also comes with a built-in cassette tray that holds up to 250 sheets for less visits on refilling paper. It's designed to fit perfectly into any professional business, helping to add a touch of style.

## Samsung takes responsibility in helping to keep the environment clean

Samsung's S.T.A.R. Program is a free service for our business and consumer customers that helps them keep the environment clean.

## ENERGY STAR® compliant

This ENERGY STAR® compliant model using less energy to help save the environment, which helps save you money. ENERGY STAR is a joint program of the U.S. Environmental Protection Agency and the U.S. Department of Energy promoting energy efficiency.

## Boost productivity with Blue Compass Navigation

Always know where your job stands with the SCX-4623FW's navigation feedback LED pattern. It keeps you clued in with its 11 different job status indicators, including error and warning situations.
